Hi {{employee.full_name|title}}

Here at {{company.name}}, we want to make managing your money as easy as possible - no matter what surprises you might face. That's why we've joined with **OneSource Virtual and their partner Wagestream** to bring you an app that lets you track and access your earnings - all at the touch of a button! **myFlexPay**

What is myFlexPay?

myFlexPay is a secure app that lets you track your daily earnings throughout the pay period, and instantly access up to {{employee.max_transfer_percent}} % of your pay as soon as you've earned it.

myFlexPay is not a loan, and there is **no interest** and **no impact to your credit score**. It's just easy access to the money you've already earned whenever *you* need it. You can access your money instantly for a fee of \$2.99 or get it the next day for a fee of \$1.99.

How do I sign up?

Enrollment opens in 24 hours! You will get an email from myFlexPay tomorrow with your username and password.

But don't wait - **download** the app now!

Have a great day!
