Hi {{employee.firstname}}

Life happens, and things crop up that take us by surprise - we totally get that. We've all been there when Mom's birthday just 'pops up' unexpectedly - or your car semi-explodes when you're on your way to work ☹️

Here at OneSource Virtual, **we've partnered with your employer** to bring you myFlexPay, our brand new app which makes it easy to manage your own money.

Track

your pay in real-time so you can plan ahead

Access

your earned wages whenever *you* need

Customize

the time and days you are able to make transfers in your app settings

Learn

tips and tricks about how to manage your money better

You can download the app using the links above.

Have a great day!

The myFlexPay Team

Our app is powered by our partner Wagestream. You can reach out to their in-app support team 7 days a week if you have any questions, or check out their [Help Center](#) for more info!
