

Say hello to **myFlexPay**

Hi **\*|FNAME|\***, we're **myFlexPay**, **{{company.name}}**'s brand new employee benefit.

From **{{date of launch}}** **{{company name}}** employees will be able to access the pay they've already earned as well track their earnings in real time and learn about their finances through the myFlexPay app.

### What you can do with myFlexPay

#### Track

your pay in real-time so you can plan ahead

#### Transfer

up to 40% of your earned pay whenever *you* need it

#### Learn

tips and tricks about how to manage your money better

### As a manager we need your help

As a manager we will arm you with all the knowledge you need to help spread the word about the myFlexPay benefit to your team; helping them to become financially resilient.

### First step, join the training

By joining the training that we built with **{company.name}** you'll get to know everything there is to know before the launch next week.

Register

**When I heard about Flex pay I was so relieved. There are times that I just needed a small boost before I got paid. It was very stressful trying to figure out how to pay for certain bills without late fees.**

*-myFlexPay user*

### What else?

We've put together the **[myFlexPay Manager Hub](#)** which is jam-packed with useful information about myFlexPay, but most importantly highlights some **small but really important tasks** **{{company.name}}** has requested you complete to make sure your team is ready on launch day

Please do get in touch with us if you have any questions - we're always happy to help!

Have a great day,

### The MyFlexPay
